

Document No	Edition	Title	Price in EUR *
Volume 1			
PED	2014-06	Pressure Equipment Directive (2014/68/EU)	price on request
Equipment, installation and marking			
A 1	2006-10	Safety devices against excess pressure; Bursting safety devices	36,90
A 2	2015-04	Safety devices against excess pressure; Safety valves	61,30
A 4	2015-11	Accessory housings	22,70
A 5	2000-10	Openings, closures and closure elements	13,00
A 5 App. 1	2000-10	Directives for the arrangement of manholes and inspection ports	9,80
A 5 App. 2 ¹⁾	2000-10	Guidelines for component testing of clamp-bolts	6,50
A 6	2003-01	Safety devices against excess pressure; PCE-safety devices	6,50
A 401	2002-05	Pressure vessel equipment; Marking	6,50
A 403	2001-06	Pressure vessel equipment; Equipment for detecting and limiting pressure and temperature	13,00
A 404	2001-06	Pressure vessel equipment; Accessories	9,80
Design			
B 0	2014-11	Design of pressure vessels	16,40
B 1	2000-10	Cylindrical and spherical shells subjected to internal overpressure	6,50
B 1 App. 1	2006-05	Design of tube bends	26,20
B 2	2000-10	Conical shells subjected to internal and external overpressure	46,00
B 3	2011-05	Domed ends subject to internal or external pressure	36,90
B 4	2000-10	Dished heads	26,20
B 5	2016-09	Unstayed and stayed flat ends and plates	91,70
B 5/1	2006-05	Design of plain rectangular tubes and sectional headers	9,80
B 6	2006-10	Cylindrical shells subjected to external overpressure	29,50
B 7	2016-09	Boltings	26,20
B 8	2017-06	Flanges	46,00
B 9 ²⁾	2010-02	Openings in cylindrical, conical and spherical shells	52,20
B 10	2000-10	Thick walled cylindrical shells subject to internal pressure	6,50
B 13	2012-07	Single-ply bellows expansion joints	99,50
Fundamentals			
G 1	2014-06	AD 2000-Regulations; Structure, Application and Method Guidelines	9,80
G 2	2018-08	List of all standards quoted in the AD-2000 Code	107,10

¹⁾ [corrected version 2018-05]

²⁾ [corrected version 2016-09]

* all prices are gross prices (including VAT)

The AD 2000 Code is not a book trade product; therefore, no trading discount will be granted on deliveries.

Quantity discounts will be granted on orders of several copies of the same document:

from 5 copies: 20 % from 10 copies: 25 % from 25 copies: 30 % from 50 copies: 35 % from 100 copies: 40 % from 250 copies: 45 %

24-hour-service: www.beuth.de

Document No	Edition	Title	Price in EUR *
Manufacture and testing			
HP 0	2019-07	General principles of design, manufacture and associated tests	76,70
HP 1	2019-05	Design and construction	26,20
HP 2/1	2017-06	Procedure testing for joining processes; Procedure testing for welded joints	26,20
HP 3	2014-11	Welding Supervisors, welders	9,80
HP 4	2016-05	Test Supervisors and testers in non-destructive testing	6,50
HP 5/1	2008-02	Manufacture and testing of joints; Principles of welding practice	13,00
HP 5/2	2019-05	Manufacture and testing of joints; Production testing of welds, testing of the parent metal after post-weld heat treatment	19,60
HP 5/3	2015-04	Manufacture and testing of joints; Non-destructive testing of welded joints	22,70
HP 5/3 App. 1	2015-04	Non-destructive testing of welded joints; Minimum requirements for non-destructive testing methods	22,70
HP 7/1	2014-11	Heat treatment; General principles	6,50
HP 7/2	2019-05	Heat treatment; Ferritic steels	9,80
HP 7/3	2015-04	Heat treatment; Austenitic steels	13,00
HP 7/4	2015-04	Heat treatment; Aluminium and aluminium alloys	9,80
HP 8/1	2019-05	Testing of pressings made from steel, aluminium and aluminium alloys	31,50
HP 8/2	2014-11	Testing of steel sections	9,80
HP 8/3	2010-02	Manufacture and testing of fittings made of unalloyed and alloyed steels	22,70
HP 30	2016-05	Performance of pressure tests	22,70
HP 100 R ³⁾	2016-09	Construction regulations; Metal piping	70,40
HP 110 R	2001-06	Construction regulations; Piping made of glass reinforced thermosetting plastics (GRP) with and without liner	22,70
HP 120 R	2001-06	Construction regulations; Thermoplastic piping	22,70
HP 511	2010-11	Design examination	9,80
HP 512 ⁴⁾	2018-08	Final testing and pressure testing	16,40
HP 512 R	2003-01	Construction regulations; Design examination, final testing and pressure testing of piping	13,00
Special pressure vessels			
HP 801 No. 4	2002-04	-; Pressure vessels with gas cushions in hydraulic pressure plants	5,40
HP 801 No. 8	2002-04	-; Pressure vessels on assembly and building sites	5,40

³⁾ [corrected version 2017-06]
